

# EXHIBITION OF FOUR PAINTERS

Obernai

**Place du Beffroi  
Salle d'expositions du Beffroi  
67210 Obernai**

## + Description

The paths of Marie, Ginou, Martine and Roger crossed 10 years ago at the Université Populaire de Strasbourg. Together, they discovered painting and its many facets, its infinite combinations of color and the pleasures and torments of creation! Each of them then evolved according to their affinities in different styles.

Their first exhibition in August 2024 in the Salle du Beffroi was an enriching experience of meeting and sharing. Exposing their work to the gaze of others enabled them to evolve and enrich their practice as painters.

Again this year, they present eclectic figurative and non-figurative themes, using oil, acrylic, watercolor and dry pastel.
