Danny and his little dog Biscuit are the best of friends. One day, mysterious magic gives Biscuit incredible powers: he can talk and fly. Whenever someone needs him, he puts on his mask, dons his cape and soars into the sky to help: he's become a fantastic dog! Cookie now has two passions: eating tacos and saving the world. But Pudding, the neighbor's cat, also has superpowers and dreams of making cats rule the universe. Danny and Biscuit must prove that together, nothing can stop them!
