FILM-DEBATE IN PARTNERSHIP WITH BIOBERNAI, OBERNAI'S ORGANIC FARMING FAIR

Following the screening, discussion in the presence of the director and Maurice Meyer, founding director of BiObernai.

DOCUMENTARY by Mickaël Denis-Shi

How can we ensure quality food production that is remunerative for those who produce it and accessible to as many people as possible? This insoluble question is the starting point for a tour of France by 15 farmers, who tell us about their difficulties, possible solutions and the beauty of their profession. With open hearts, they give us sincere, touching accounts that inspire us to get moving, collectively, to improve the way we feed ourselves.
