+ Description

Opera and ballet return to the 13th Sense screen!

This season, we're bringing you a host of ballets and operas brought to the big screen, starting with Puccini's classic TOSCA.

In war-torn Rome, Floria Tosca and Mario Cavaradossi live for each other, and for their art. But when Cavaradossi comes to the aid of an escaped prisoner, the lovers make a mortal enemy in Baron Scarpia, chief of police. At the mercy of Scarpia's unhealthy desires, Tosca must submit to an odious bargain: sleep with the man she hates in order to save the man she loves. Will she succeed?
