+ Description

Come and celebrate Christmas at the Obernai cinema!

To coincide with the release of ZOOTOPIE 2, your 13th Sense cinema is offering a film-snack session: free snacks after the film, and entertainment concocted with care by the cinema's volunteers!

Meet up again with young police duo Judy Hopps and Nick Wilde, who, after solving the biggest criminal case in the history of Zootopia, discover that their partnership isn't quite as solid as they thought when Chief Bogo orders them to take part in a therapy program reserved for teammates in crisis. Their partnership will even be put to the test when they have to solve - undercover and in unknown parts of town - a new mystery and follow the sinuous trail of a venomous snake freshly arrived in the animal city...
