+ Description

Come discover the world of passionate photographers, united by a shared desire: to share their perspective on the world, nature, people, everyday moments, and the extraordinary.

The photos are diverse—some touching, some powerful, and some poetic. Whether you're a lover of beautiful images or simply curious, this exhibition is open to everyone and free of charge.

On Sunday at 3 p.m., a talk by the association's two guests of honor: Jean-Philippe Maurer and Claude Roth.

Don't miss this third edition of the Batsch Photos exhibition—a must-see artistic event!
