+ Description

Two Obernoise artists present their work.

Lucette Jung is a self-taught artist interested in all kinds of styles, but it's through still life and figurative art that her search for detail is best expressed. She exhibits her oil paintings on canvas and her clay sculptures.

Marie-Paule Lingelser paints in oil on paper. The very special sensation of letting the blade of a knife or brush glide over this smooth, solid surface, leaving its mark, is part of the pleasure of painting on paper. She paints to tell, to share what moves her today.
