## **Description**

MARIONNETS - SHADOWS - POP-UP - From 2 years.

Adapted from the imaginary book by author-illustrator duo ICINORI, L'Amie is a visual and musical show that celebrates the power of imagination and transforms the night into a fantastic adventure.

Having just fallen asleep, a child is abducted by a giant bat. Under its wings, he flies over the illuminated city and the night landscape unfolds. When they land in a cave, their eyes finally meet and all fear vanishes: the bat is his friend. And so begins an exhilarating, dreamlike journey.

In the immersive, puppeteered world imagined by Yseult Welschinger and Éric Domenicone, little spectators experience a gentle, musical journey full of surprises and friendship.

SATURDAY WITH THE FAMILY: 1 show for the whole family, followed by L'APERO DES MINOTS, with complimentary aperitif!
