## + Description

On the dance floor, the remains of a banquet bear witness to the aftermath of a party. But the audience is not mistaken: it's the daily lives of these artists and their preparations for the big night that they are invited to discover. This new creation attempts to dissolve the boundary between human and animal. A quest for harmony between seven horses, six performers and two dogs, it opens an unusual door on the world of the circus by exploring the intimacy of troupe life.

Acrobatics, horse acrobatics, Chinese mast, juggling, music.

All audiences - 1h30.
