+ Description

Show as part of Pisteurs d'Etoiles.

A dance floor, a clown and fire.

From match to blaze, fire dances and transforms, from the smallest glimmer to the most devouring flame.

The Clown mingles with it, rubs up against it and lets himself be surprised.

In this circle, he gently and awkwardly learns the language of fire.

With his mischievous gaze, he shares our transgressive fascination with flames.

IGNIS places fire at the heart of the big top, in a show that summons up our most intimate and distant imaginations.

Clown, Pyrotechnics, Mast, Acrobatics.

Ages 8 and up - 1h00.

Under the big top.
