Salle de cinéma
67210 Obernai

+ Description

Over the course of a weekend, TÉ-MA extends the theme of the performing arts season into the realm of cinema, combining screenings, debates, hikes and encounters to reflect together on how we deal with crises. For this first edition, the program explores the climate and ecological crisis, opening up a space for collective reflection on our fragility and the possible paths we can invent.

Film snacks, treasure hunts, hikes, documentaries, debates, meetings with film crews...

Find out all about the program for Saturday March 28 and Sunday March 29 on 13esens.com
