+ Description

As part of TÉ-MA - TRAVERSER LES CRISES, the 13th Sense cinema program offers a treasure hunt based on the film SAUVAGES.

Lots of prizes to be won after a family treasure hunt on the theme of the ecological crisis and deforestation!

In Borneo, on the edge of the rainforest, Kéria takes in a baby orangutan found on the palm oil plantation where her father works. At the same time, Selaï, her young cousin, comes to stay with them to escape the conflict between his nomadic family and the logging companies. Together, Kéria, Selaï and the baby monkey christened Oshi will brave all obstacles to fight against the destruction of the ancestral forest, more threatened than ever.
