+ Description

As part of the Festival Pisteurs d'Etoiles with Cie Errância - Leonardo Ferreira: acrobatics, Chinese pole.

The Beginning of the End is a dystopian circus piece that speaks of liberation through the deconstruction of the clown - a symbol of transgression, crucified in every era. The melancholy joy is the clumsy hand of fate that sows havoc and frightens reality.

For ages 8 and up.

Program in the process of being finalized: venues and times may be subject to change!
