+ Description

The Krautergersheim Firefighters' Association recently decided to support Pink October by organizing audio tours on October 22, 2026.

The Krautergersheim Firefighters' Association is rallying for Pink October, Breast Cancer Awareness Month, and invites you to a sound journey. All proceeds will be donated to the League Against Cancer.

A moment of respite to take time for self-care and catch your breath in the middle of the week, graciously hosted by "Bols et Zénitude."

Come experience deep relaxation carried by the sounds of Tibetan singing bowls, drums, chimes, and other instruments with enveloping tones.

Comfortably settled in, you won't have to do a thing—simply let yourself be carried away by the vibrations and sounds to release tension, slow down, and rediscover a sense of inner calm.

Contraindications:

- pregnant women
- people with epilepsy
- people currently receiving psychological treatment.

For your comfort, please bring a floor mat, a blanket, and a pillow.

Limited space available; registration required:
