+ Description

Throw them away in 2026? No way. You can choose to repair your appliances or other items.

Repairing things together is the idea behind REPAIR CAFÉS, which are free to attend and open to everyone. You bring in items from home that are in poor condition. Volunteers with repair knowledge and skills will try to fix them (clothing, electrical appliances, computers, bicycles, miscellaneous items, toys, and more).
We get to work alongside the repairers: there's always something to learn at the REPAIR CAFÉ!

If you're handy, don't hesitate to join our team of volunteers!

Organized by the Communauté de Communes du Pays de Sainte-Odile and Veolia.
