+ Description

For the second Advent Windows on Tour, Alexandra N' Possée presents « Zig Zag », a choreographic duet infused with the energy of urban dance. Around a bench, two performers tell a family story shaped by solitude, decline and encounter. A performance where bodies, movement and emotions bring a space of possibilities to life, with a single bench as the only set.

Horaire(s) d'ouverture

17/12/2026
Thursday from 19:00 to
