+ Description

From 25 November to 6 January, set off on an adventure through 57 villages and towns in Alsace! Your mission: to find, step by step, the Christmas shards scattered across the region to let the Alsatian Christmas Flame shine.
One of these shards is hidden right here… Can you find it?

Welcome to Rosheim, adventurers of the Alsatian Christmas Flame! Here, the Spark is said to have awakened the roses hidden all over the town. Ever since, their glimmers have been appearing mysteriously, thrown into disarray by the magic of the Spark. But rumour has it that a three-digit code could break the spell! Find it, recite it… and the roses will guide you to the Éclat!

Pick up your passport and game sheet from our visitor centres in Rosheim and Ottrott.
