From 25 November to 6 January, set off on an adventure through 57 villages and towns in Alsace! Your mission: to find, step by step, the Christmas shards scattered across the region to let the Alsatian Christmas Flame shine.
One of these shards is hidden right here… Can you find it?

Welcome to Ottrott, adventurers of the Alsatian Christmas Flame! A mischievous elf has played a nasty trick on Ottrott! After being lured by the magic of a Spark of the Flame, he is said to have nicked the keys to the village hall from the organising team, making it impossible to open the doors and prepare for this lovely Christmas event. It's up to you to investigate the streets of Ottrott… Follow the clues to unmask the mischievous elf in question and retrieve the keys… But above all, find the Spark of the Flame that he's said to have taken with him! The village and the magic of Christmas are counting on you.

Pick up your passport and game sheet from our reception desks in Rosheim and Ottrott.
