

MICRO-FOLIE : COLLECTION UNION EUROPÉENNE

Obernai

1 rue de la Léonardsau
67210 Obernai

+ Description

Produced as part of the French Presidency of the Council of the European Union, this collection brings together some thirty prestigious institutions from the 27 Member States. It offers a journey through more than 500 works, from antiquity to contemporary creation.

From masterpieces in major European museums to wonders of Antiquity, manuscripts and engravings to modern and photographic works, this selection highlights the diversity of the European artistic landscape and the cross-cultural influences that have shaped its cultural identity.

Projected in the digital gallery on the second floor of the château, it invites visitors to sit back and discover Europe through its heritage.
