+ Description

Discover the beautifully restored rooms of the Domaine de la Léonardsau, where each room reflects the elegance and refinement of the original residence.

The tour is enhanced by digital devices that accompany the visitor's gaze and bring the history of the château to life. They reveal the great figures who have left their mark on the place, notably Baron Albert de Dietrich, and also recall its place in cinema history with the filming of Claude Chabrol's *La Décade prodigieuse*.

Combining heritage and innovation, the Domaine de la Léonardsau offers a sensitive, contemporary visitor experience that is accessible to all.
