## + Description

The Pisteurs d'Etoiles festival is back for its 29th edition!

Pisteurs d'Etoiles is a not-to-be-missed event in the Grand Est region for circus enthusiasts and the curious. Alone or with the family, novice or experienced, everyone is invited to soak up the festive atmosphere of the festival, which gives pride of place to today's circus.

Every year, the festival offers a rich program of circus creation in the heart of Obernai.

Matthieu Pierrard's arrival at the helm of 13e sens repositioned the festival's programming to promote and support circus creation, particularly in the region.
