+ Description

Located in Ergersheim, a wine-growing village some twenty kilometers west of Strasbourg, the Maxime Brand family estate has been cultivating the 7 Alsace grape varieties and crémants on the different terroirs of its vineyard for generations. Our philosophy is to cultivate our vines and terroirs while preserving our environment, in order to produce top-quality wines. Since 2019, our vineyards have been certified "Haute Valeur Environnementale", a guarantee of the low impact of our working techniques on the environment and of the biodiversity present in our vines. The vineyards are located on the slopes of Ergersheim, where each grape variety flourishes. The tasting cellar, with its old wine press, welcomes individuals and groups, who can visit the typical Alsatian farmhouse and vaulted cellar. You can also discover our pressing, bottling, labeling and storage facilities. Wine and crémant tasting is free for individuals. Groups of up to 50 people must register in advance, and the tasting is subject to a fee.
