+ Description

Le Ravito des Cyclos invites you to an evening of old-school country blues with Julian the Drifter.

Let yourself be carried away by authentic rhythms and a warm atmosphere. Enjoy an organic refreshment bar and tarts flambées, in a friendly, natural setting.

Join us by bike, scooter or on foot, along the greenway of the Bruche canal, on the Eurovélo 5, between Molsheim and Strasbourg. The event will be cancelled in the event of bad weather.
