+ Description

In the heart of the Welche countryside, in a green setting, discover Le Faudé . On the hotel side, there are 29 comfortable rooms with warm hues and personalized decor, in a resolutely rustic style.

On the kitchen side, it's a feast for the senses and flavors. The chef draws his inspiration both from the resources of the generous nature that surrounds him and from borrowings from more distant horizons... not forgetting to mention the restaurant's cellar, which will not fail to deliver its fabulous riches!

To relax, Le Faudé offers you its summer terrace or its garden crossed by a river.

Two electric charging points.

Take a Nordic escape in the Kota Grill, around a wood fire with grilled meats and fish (reservations required for 4 to 12 people all year round) or more traditional recipes on the daily menu.
Ambiance and good humor guaranteed!!
