## + Description

Direct sale at the farm, of fruit and vegetables in season!

Welcome to this family farm, which perpetuates traditions from father to son.

Since the first orchards were planted in 1966. We have never stopped expanding our activity, in order to be as close as possible to our customers' expectations.

A shop area with farm and local products, orchards for picking good produce with the family and a drive service! In short, there is something for everyone!
