**Carrefour Ferrebeuf
68370 Orbey**

+ Description

Discover the rocky stones „Pierres Tremblantes“ on the heights of Orbey. On this way, which is full of stories, you can make a small stop on this shaded picnic area located in the heart of a pine forest.

Once you have eaten your sandwich, try to find the stone carved by German troops during the First World War.

Please respect the nature, bring back your waste.
