Tour du Faudé
68650 Lapoutroie

+ Description

A small forest walk for children and adults ? 30 minutes of forest path sheltered from the heat, and accessible by mountain bike for older children who no longer need a stroller!

Discover the Faudé Tower massif without any difficulty by taking the path that starts from the parking lot.

Take the path which leaves on the left of the information panel, by following the "red ring" marking on approximately 2km.
