**42 rue de la Libération  
67340 Offwiller**

## + Description

The Museum occupies a peasant house which allows to discover the habitat and the domestic life of the peasant-workers of the Vosges foothills in the 19th century. One can approach a way of life made of work, traditions and festivals, such as the "Schieweschlawe", or the launching of burning discs at the time of the equinox.
