+ Description

On a wooded area enjoy an unforgettable experience. Strategy and audacity are the order of the day.

Paintball is a collective leisure activity in which two teams compete against each other in an area enclosed by protective nets. Each player is equipped with a launcher, safety equipment (chest protector and neck strap) and a ball tank (loader). Different scenarios are proposed to the participants.

A referee ensures that the game runs smoothly, and only he can judge which players are eliminated.

This activity is **only on reservation** and for a minimum of 8 people.
