+ Description

Viticulturists since 1732, the BLANCK family owns some 19 hectares of vineyards in production spread over several exceptional terroirs. The jewel of these terroirs is the Schenkenberg located on the slopes of Obernai. On site, enjoy a cellar composed exclusively of oak barrels, most of them centuries old, as well as the Boutique du Vigneron where you will find the tasting area, wines and creams coming directly from the family vineyard as well as various local products.
