+ Description

Founded in 1947 - the Jos Nusbaumer distillery is independent and family owned. Our speciality is the distillation of eaux de vie and the elaboration of fruit and plant liqueurs; we have been opening a new page of our know-how for a few years now with new distillations (mountain gins & French aquavit).

We propose about fifty products which can be discovered in our store.

As a proof of our commitment to craftsmanship, we have received the Entreprise du Patrimoine Vivant (Living Heritage Company) label.

Our store is open from Monday to Saturday from 9am to 12pm & from 2pm to 6pm, where tasting of all our products is possible. It will also be open every Sunday of Advent from 27/11/2022 from 10am to 12pm & from 2pm to 6pm.

The guided tour has been revamped this fall 2022, it is now possible to discover our manufacturing workshops. This visit is on reservation, on our website in the heading "visit us" where you will find all the available slots or by telephone in 03 90 56 29 56.

The visit of about one hour will make you discover our workshops of manufacture: preparation of the fruits, room of the stills, storage & bottling.

Availability & booking of visits on our website in the "visit us" section
