2 rue du Général de Gaulle
67560 Rosheim

+ Description

Philippe and Corinne cultivate 10 hectares of vines in Rosheim and produce the full range of Alsace wines.
They use virtually no fertiliser, keep yields in line with the vigour and grape variety, thin out the plots and always harvest by hand, enabling them to guarantee a high level of quality.

They will be delighted to welcome you to their cellar so you can taste their different vintages.
