Fort de Mutzig
67190 Dinsheim sur Bruche

+ Description

The Namensstein was built in October 1896 for the inaugural ceremony of the fortress of Mutzig. Situated in a not approachable zone, it was deprived of its main symbolic elements after 1918. It was moved at the reception of thefort and restored. A copy of the German imperial eagle and the name plate "Feste Kaiser Wilhem II" were replaced on the monument, so as the two barrels.
