+ Description

Growing up 2 kilometers from Belgium, you're bound to have a special relationship with beer. It's a universal, festive and convivial beverage.
Marc ruer loves everything about beer: the maltiness, the color, the creamy foam, and above all, the bitterness of the hops.
He has turned his passion into a profession, returning to local, artisanal and authentic values.
Takeaway hours are limited, the rest of the time being taken up by brewing, bottling, labeling, storage...
L'Altenbière is also present at the Dorlisheim market.

On-site consumption of alcohol is not permitted.
