+ Description

Discover the discreet, authentic charm of Mutzig through a fascinating stroll through its historic center.

This audio tour invites you to explore the alleyways of an Alsatian town with a singular past, far from the hustle and bustle of the major tourist circuits. From the imposing silhouette of the Porte du Haut to the meticulous details of the half-timbered houses, each step reveals a part of the town's identity.

The izi.TRAVEL app turns your phone into an audio guide. You move along at your own pace, stopping to admire a facade or enjoy a terrace, while listening to stories and anecdotes that bring the history of the places to life. It's a sound immersion that gives relief to the stones and a new meaning to your walk.

Just launch the audio and let Mutzig tell you its secrets.
