After 40 years in Ranrupt, Perrine and her entire team are delighted to welcome you to Maisonsgoutte. This new site will offer visitors a unique and informative tour showcasing the expertise of Confitures du Climont, with a tour route covering more than 150m² divided into different areas:
- France's only jam museum;

- A workshop that is always open to visitors, still featuring century-old copper pots;

- A direct sales store with a tasting area;

- And an educational orchard.

Around forty varieties of jam are simmered on site: from traditional to more local flavors such as rosehip, morello cherry, mirabelle plum with cinnamon, wild apple, blueberry, not to mention the famous Christmas jam.

Les Confitures du Climont has been awarded the “Entreprise du Patrimoine Vivant” (Living Heritage Company) label by the French government, recognizing excellence in French craftsmanship.

Reservations are required for groups.
