In the heart of the Massif des Vosges, between the Route des Vins and the Route des Crêtes, just a stone's throw from Lac Blanc Aventures, kick off your shoes... and experience nature.

A unique activity to share with family or friends... just put one foot in front of the other and give in to your sensations! Well-being guaranteed!

You can walk without shoes for a 1.2km route on the natural ground of the surrounding forest and a variety of materials: sand, gravel, gravel chippings, stones, slabs, wood, bark, fir cones and even a small river.
There are many fun, sensory and educational workshops along the way.

The reception area incorporates a locker for shoes and a water point for washing feet when returning from a barefoot walk.

For groups: Open daily during the opening period from late April to late September, **on reservation**.
