At Lac Blanc, there's no shortage of ideas for having fun in the great outdoors!

If you're a keen hiker, you'll love the magnificent setting, nestling in the heart of the Parc Naturel du Massif des Vosges. If you prefer to hit the trails by bike, there are several cross-country mountain bike circuits waiting for you.

At an altitude of over 1,200 metres, the Lac Blanc resort offers a wide range of summer activities. There's an adventure park with tree climbing, a barefoot trail and paint ball, rail sledging, orienteering circuits, a fun trail, a climbing school and not forgetting a Bike Park: the first site in Alsace dedicated to downhill mountain biking.

There's something for everyone - excitement guaranteed!
