The Go loisirs school and its instructors will help you enjoy your cycling experience in the best possible conditions. The school offers you bike lessons, adapted routes and circuits as well as a rental service.

Whether you are a mountain biker, a road cyclist or a touring cyclist, you can be guided and well accompanied to fully enjoy the cycling experience in the whole of the Kaysersberg valley, from the Vosges peaks to the Alsace plain, from the Honneck to Sélestat, passing by the Lac Blanc and its jewels.

The team of state-certified cycling instructors will accompany you on scheduled group or individual outings on request. By bike, on foot or on snowshoes in winter.

Riding a Quadrix or pedalling a tandem bike with friends or family and including a disabled person in the same activity is the challenge that Go Loisirs takes up. Creating links and bringing well-being to the practice of outdoor activities. From family mountain bike rides to the organisation of your bike days, including the provision of GPS tracks and bikes for hire, you will find a whole range of services in the Lac Blanc 1200 shop at Jacky Sport by Go Loisirs, the ski and bike hire company located in the building of the Hotel Les Terrasses du Lac Blanc.

In case of accompaniment outside the place of sale, the Jacky Sport rental of Lac Blanc 1200 may be closed.

Reservations and/or prior appointments are recommended, by email 72 hours before your arrival at: loisirsgo@gmail.com

Car and camper van parking adjacent to the shop. Departure of the mountain bike loops at 100 m.
