+ Description

From this small picnic area, take the path marked with a red-white-red rectangle that climbs in front of you, along the stream and leads you to the Lac Noir.

It is a glacial lake 45 meter deep, situated at an altitude of 955 meter and with a surface area of 14 ha.

After the effort, enjoy a delicious slice of blueberry pie at the lakeside inn before starting the descent!

Please respect the nature, bring back your waste.
