**Basses Huttes
68370 Orbey**

+ Description

After a slightly steep climb, starting from the pretty hamlet of Basses Huttes, this beautiful 3 hours and 10 min hike takes you from spring to spring, there are 6 of them.

After looking at the Blandine spring, you can finally recharge your batteries for a snack break. Tables and benches are at your disposal. The view is really splendid.

Please respect the nature, bring back your waste.
