+ Description

Two enthusiasts spend much of the year creating the figures and scenery for a miniature Christmas village. Come discover the magical world of Christmas created by Jean-Luc Weber and his mother, Micheline Dillenschneider!

Everything is handmade, from the nativity figures to the interior decorations and structures: the nativity scene, temple, sheepfold, sawmill, workshops, shops, markets…

This enchanting display is also open to visitors—for the fourth consecutive year—at their home, located at 82 Route de Strasbourg in the neighboring village of Meistratzheim.

Daily from 10 a.m. to 7 p.m. On December 24 and 31, from 10 a.m. to 4 p.m. Closed on December 25.
