68800 Pays de Thann-Cernay

+ Description

In Cernay, the decorations and illuminations give the streets, buildings and gardens an enchanting look, to the delight of young and old alike. In Thann, marvel at the Christmas trees, and admire the buildings lit up in a thousand colours. Christmas in Thann-Cernay is also a children's Christmas, with an exhibition of automatons, horse-drawn carriages and treasure hunts to put stars in the eyes of your little ones.
