+ Description

From the end of November and during the whole month of December, come and discover the Christmas market with its intimate and warm character.

Walking through the streets of the city is an enchantment: illuminations and natural fir decorations underline wonderfully the Renaissance architecture of the city center.

In their wooden chalets on the downtown squares, the artisans and producers of the Christmas Market invite you, between the scent of gingerbread and the aroma of mulled wine, to fill up on local gourmet products and artisanal gifts.

A local specialty not to be missed is the tasting of white mulled wine from Obernois, for its unique taste and for the atmosphere that reigns around the cauldron of the Corporation des vigneronns!

The Alsatian Christmas Food Market showcases all the local gastronomic specialties of Alsatian Christmas.

Opening hours: Official Opening on Friday, November 24 at 16h. Monday-Tuesday-Wednesday-Thursday 10:00-19:00. Friday-Saturday-Sunday 10:00-20:00. Closed on December 25. Closing at 4 p.m. on December 24 and 31.
