+ Description

This event, which attracts some 2,000 participants every year, is a successful marriage between top-level sport and beginner-amateurs.

With 7 events for all ages (from 6 upwards) and all levels of experience, beginners, amateurs and experienced triathletes alike will find something to suit them. Starting in Benfeld, with its lake and natural setting, then cycling along the Alsace wine route.

For the more experienced, a mountain section will give you the chance to rub shoulders with a Grand Site de France as you climb Mont Ste Odile at an altitude of 760m. The event finishes in Obernai with a run through the medieval town, orchards and vineyards.
