

THE TWO SHORES GARDEN

Strasbourg

**3 rue des Cavaliers
67000 Strasbourg**

+ Description

This garden located on both banks of the Rhine played host to the heads of states during the NATO summit meeting of April 2009 and is a symbol of friendship between France and Germany. It covers 150 hectares along the Rhine on either side of the Bridge of Europe. Just a stone's throw from Strasbourg and Kehl, it is a unique place for encounters and walks, with cultural events being organised on a regular basis. Temporary garden competitions, floral exhibitions, music, dance and street arts are all organised and enjoyed to the full by French, German and other visitors.
