

WOOGGRABEN REED BED

Richtolsheim

 [09 65 15 26 61](tel:0965152661)

@ Contact

D 209
67390 Richtolsheim

+ Description

This well-preserved corner of the Ried is a sanctuary for all kinds of wildlife. In an oxbow lake, a former branch of the Rhine, the reeds and phreatic ponds are home to several different species, giving us a reminder of how the river used to look. Open visits. Leaflet available. Getting here : take the Richtolsheim exit towards Schoenau.

Horaire(s) d'ouverture
